

To Peter at Ashley's Tow Taxi

I just want to say thank you for the brilliant continued support you give us.

I know that not many people would take the time and effort to appreciate the work you do.

Nothing is ever an issue whether during work hours or weekends.

I have never been let down by you, which means I can continue to give my customers quick service for their misfortunes.

Once again thanks very much, to you and your team.

Jason Gwatkin
